UTAH NURSERY COMPANY

808 KEARNS BLDG.

SALT LAKE CITY, UTAH

TO PROSPECTIVE PLANTERS:

This variety list, which covers the nursery stock we will deliver Spring 1920, is issued with the hopes that it will meet the convenience of every prospective purchaser.

An order blank accompanies this list. The same may be filled out, and either mailed to our office or put into the hands of our agents. All orders will receive our prompt attention.

We respectfully solicit your correspondence and inquiries.

Our stock is in fine condition and up to its usual high standard.

Any assistance that we may be able to render in matter of advice, dealing with soil preparation, fertilization, irrigation, selection of trees and plants for any section or locality, will be cheerfully given.

The volume of nursery stock available for the coming season's planting is so very far below normal, that all concerned should give immediate attention.

UTAH NURSERY COMPANY.

P. S.—If price list does not accompany this list, write for same.
